Ed, thanks. Just heard from our press guys. Our DC folks had one question for me and I just answered it. I'm hoping to get the green light in just a bit. . .

Bob, meet Ed. Ed, meet Bob.

Ed, if we gave you the green light at 1:30 your time, do you think we could still reasonably get PDFs back by 3:30 your time? If you could cc Bob on your email to me and Tim, I think that would be useful.

Tim, I will be in a meeting and likely unable to respond, so I would have to rely on you to forward the endorsed documents to Joe Davis/CMO, and emailing courtesy copies to Bobby (Drummond's attorney) and Wade (JCBH attorney).

Waiting to hear. I just told them to get back to me now with the update. Do we have any wiggle room here? Can we squeeze for maybe another 30 minutes? I don't want to lose this opportunity to file today if we can free up approval say by 2:30.
